

CONNECT! - CAREER DAY FACULTY OF TECHNOLOGY, AUAS

2 OCTOBER 2019, AMSTERDAM
NETWORK AND RECRUITMENT EVENT

TEHCAREERDAY.NL

CONNECT! - CAREER DAY

INSPIRE - INFORM - INTRODUCE

Connect! is a network and career event organised by the Faculty of Technology of the Amsterdam University of Applied Sciences. This event offers a great meeting opportunity for students, alumni, company professionals and technical recruiters. The career day consists of company presentations, career workshops, exhibition area with stands from technical companies and European universities offering master programmes.

The Faculty of Technology is one of the leading schools of its kind in the Netherlands. The Faculty has excellent working relations with national and international business communities and governmental institutions resulting in practice oriented and business relevant education programmes. Our students gain valuable experience in their future professional fields through internships and work placements.

Furthermore, we continually develop new courses for professionals upon request of our industry partners.

The Faculty of Technology counts 6800+ enrolled students and offers the following bachelor programmes (with graduation specialisations):

- ▶ **Aviation** (Aviation Logistics; Security & Technology; Flight Operations; Maintenance, Repair & Overhaul; Flight; Air Traffic Management; Honours Programme Engineering; Honours Programme Management)
- ▶ **Built Environment** (Architecture; Urban Design; Architectural Technology; Project Management; Asset Management; Structural Engineering; Water; Mobility)
- ▶ **Engineering** (Sustainable Energy Systems; Mechatronics & Robotics; Mechanical Engineering; Interaction Engineering; Intelligent Devices & Sensors; Industrial Design Engineering; Business Engineering)
- ▶ **Forensic Science**
- ▶ **Logistics** (Logistics Engineering and Logistics Management)
- ▶ **Maritime Studies** (Nautical; Technical)
- ▶ **Mathematical Engineering**

TARGET GROUPS

- ▶ 6800+ bachelor students of our Faculty
- ▶ Our alumni - young professionals working for technical companies
- ▶ Dutch and international technical companies
- ▶ Technical universities offering master programmes
- ▶ Authorities and governmental institutions
- ▶ Recruitment agencies working in the field of technology

PROGRAMME

Internship and job market with Dutch and international companies as well as recruitment agencies active in technology.

Company presentations with general introduction and information on career opportunities such as internships, graduation assignments, traineeship programmes and job openings.

Information stands of universities offering master studies from the Netherlands and abroad.

Career workshops with tips and tricks for job interviews; building an international career; personal branding via social media and more.

Information sessions on study and internship abroad in cooperation with the International Office. Where possible directly linked to international companies and universities that are present.

Alumni presentations of our graduates sharing their experiences working for different technical companies.

We kindly invite you to join our career day as an exhibitor!

WHAT ARE THE BENEFITS?

- ▶ You will have the opportunity to connect with thousands of prospective interns and employees, technical companies and universities.
- ▶ Your company logo will be displayed in all "Connect!" marketing materials and on the official event website.
- ▶ Your company presentation will be included in the programme.
- ▶ You will be provided with an exhibition stand for the whole day (coffee and lunch are included).

CONTRIBUTION

The registration fee is €790 including a stand (3x2m), company presentation, coffee/tea and lunch for two representatives.

Universities can book a stand for €500 (excl. VAT).
